Winners were able to select shooting related prizes for their efforts.

### **Junior Division – Allen Bragg**

I am assisted by Anita Madea (Shelton School Nurse) and my wife Kathy Bragg

The junior division encompasses our club members, members of Shelton High School Rifle Team, and members of NJROTC from Shelton High School. There is no charge for the activities of the Junior Division. The equipment needed is provided by MCSA.

Shelton High School competes in the North West Evergreen High School Rifle League. This league consists of 5 teams: Shelton, Tumwater, Black Hills (Olympia), Centralia, and WF West (Chehalis). They hold their matches at Shelton, Capitol City, or Centralia. Matches are usually held on Mondays @ 4 PM. They compete with .22 caliber rifles in 3 position matches (prone, offhand/standing, and kneeling) Results will be in the next newsletter. (Season is not quite finished).

NJROTC matches are held at various locations around the state. They compete with air rifles at 10 meters. They compete either with precision rifles or sporter rifles. On Feb. 21<sup>st</sup> they compete in a match at Prairie High School (Vancouver). We sent a precision team, who finished 5<sup>th</sup> overall. Individuals were Marissa N., 5<sup>th</sup> overall with a score of 555/600. Blake H. 25<sup>th</sup> overall with a score of 492/600. He was at 50%. Austin L. with a score of 456/600. Anthony F. with a score of 449/600.

The junior division will continue with practices through the end of May. They will be working on the Winchester 3 position Rifle program to earn their medals. The medals are Marksman, Marksman 1<sup>st</sup>, Sharpshooter, Sharpshooter Bars 1 thru 9, Expert and Distinguished Expert.

There will be an awards ceremony for the juniors during our regular club meeting in May 7, 2014.

### **Adult Smallbore Rifle – Allen Bragg**

This is offered to adult members who wish to improve their skills in the same 3 positions as the junior division. They are eligible to earn the same Winchester medals. The fee is \$6 per night. Equipment is provided by MCSA or you can bring your own.

This discipline will continue in June after the junior division takes a break for June, July and August.

You will need 50 rounds of standard velocity 22 per night. Time is 6:00 PM to 9:00 PM.

### **NRA Foundation grants for 2014 – Kathy Bragg**

We have received 1 grant for the senior club (training department) and 3 grants for the junior division. The junior grants were for equipment, ammunition, and money to purchase a 40 gun safe.

### **Winchester Programs**

There are some new programs that are now available. Your E Board will be checking on these programs and see which ones we might be able to offer.
