SELF-DEFENSE INSURANCE

by Suzy Sands

At our November club meeting guest speaker Jonathan Harden, District Manager for US LawShield, gave a very informative presentation on self-protection insurance. Jonathan spelled out the benefits of having this insurance and explained the add-ons for our state.

With US LawShield self-protection insurance a person is covered when they use a gun or any legal weapon for self-defense, protecting themselves or loved ones. US LawShield will provide a lawyer for criminal and civil investigations. Attorney fees are covered and there are no deductibles.

It's a great peace of mind for a very reasonable monthly/annual price. If you are interested, see the information below.

Membership in US Law Shield is not sponsored by MCSA. There are several members that have signed up for the insurance, but not as a club.

THE ORIGINAL AND BEST LEGAL DEFENSE FOR SELF-DEFENSE PROGRAM

We provide unparalleled coverage for everyone who believes in the right to protect themselves and their loved ones.

Because you are concerned about the consequences of doing what's legally right, we offer comprehensive protection for both criminal and civil legal defense—whether it is a minor accident or major life-altering situation.

Your freedom and liberty are always protected. We're here to defend you, no matter what legal weapon you use.

As a member, you'll also have access to a vast network of educational resources concerning your rights and self-defense laws.

LEGAL DEFENSE: CRIMINAL & CIVIL

- No attorneys' fees for covered events, including appeals.
- NO caps. NO hourly limits. NO deductibles.

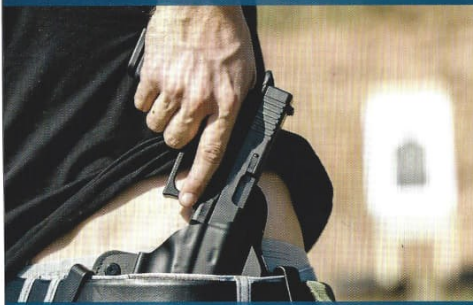

COVERAGE IF YOU USE A GUN OR ANY LEGAL WEAPON

- Includes representation for all criminal investigations and charges, and civil proceedings for any covered event.

“Members enjoy peace of mind with ANYTIME access to our Emergency Hotline answered by an attorney, not a call center, when an incident occurs. Even at 3 AM on Christmas morning, help is always just a call away.”

Kirk Evans
President, U.S. LawShield

WHY DO YOU NEED A PLAN?

In most jurisdictions, there will be an investigation if you use a gun to stop a threat. This includes merely displaying your firearm, whether you pull the trigger or not. The legal system can be hostile, even if you did nothing wrong.

*Setup fee not applicable to Mississippi residents, or where prohibited by law.

All legal services are provided by independent third-party program attorneys who are part of the Program.
